

Reimagine *YOUR* Penticton

Photography contest. Anyone can submit. Whether you have an SLR or an iPhone, use your camera to reimagine Penticton. Submit as many images as you want, don't be shy. Digital files only. All images must be landscape or horizontal format. At least 2x3" at 300 dpi or 1M files. All submissions will be part of a large photo **mosaic**, with the winning photograph representing the overall image. That's **pretty neat**. The winning shot will be selected by a panel of local artists, and announced online. The final mosaic will be unveiled at the **Ultimate Garage party**, taking place September 25 atop the parking garage at The Penticton Lakeside Resort. Minors are welcome to submit. Minors are not eligible to attend. **Submission deadline is September 18**, so better **get on it**. For more info visit <http://downtownpenticton.org/reimagine>.
