An electrician will be onsite to confirm all units comply with the safety standards. If you should require the services of an electrician you will be charged at the standard rate of fee for service.

Please provide the following: garbage can, recycling bin (if you are selling drinks in beverage containers). You must provide your own heavy duty outdoor power cords, mats to cover electrical cords, appropriate power bars and food grade hoses. You will be required to have the necessary permits and authorization.

The Downtown Penticton Association and the City of Penticton are proud to partner up in the Penticton recycling program. **There is no styrofoam allowed at BC Day. All containers must be bio degradable.**

This event is partially funded by the City of Penticton, Heritage Canada (Celebrate Canada Committee for BC) and the Downtown Penticton Association

Event coordinated and run by the Downtown Penticton Association

#3 - 212 Main Street, Penticton, BC ~ V2A 5B2
