AIDAN AND MANDY

Similar but different. Powerful & soft, edgy & smooth, poignant & lyrical, passionate & soothing. Aidan Mayes and Mandy Cole combine these seemingly opposite elements with deft simplicity. Smooth harmonies, heartfelt lyrics, and playful guitar are the main ingredients that make up this talented duo. A little bit country, a little bit folk, a little bit rock and roll, and a little bit different from everything else in the world.

JUL 20

ARI NEUFELD

Ari Neufeld is a self-made one man band, hailing most recently from the Okanagan. He plays guitar, piano, banjo (but usually guitar), while singing and keeping time through an amplified stomptbox, with ethnic beads, nuts and bells strapped to his body. His performance covers a variety of genres from folk to pop, to new country, to rhythmic soul, to rock.

JUL 27

PERNELL REICHERT

From the Vancouver area, Pernell Reichert fine-tuned his skills playing in tree-planting camps, pubs, cafes & festivals across Canada. His genre of folk, alt-country and self-penned soulful ballads, plus his high energy, fast finger-picking on the guitar, banjo or electric slide - complimented by his harmonica skills will captivate you. Well-read on history and the world, his witty audience banter makes for an entertaining evening.
